

## **REGISTRATION PAYMENT GUIDE**

### **PLEASE NOTE:**

Although, AMPED Medical Conferences does not make it a condition whereby you are required to pay your registration fee prior to booking your flights and accommodation, your position on the conference is not guaranteed until your registration is paid. This conference has limited placements; therefore, we need to ensure that we do not get into a position where we become oversubscribed. The Cancellation policy is at the bottom of this page.

The only money that is paid to Amped Medical Conferences is the Registration Payment.
